Hangaroo 2015 is very entertaining, and a really good pastime for adults and kids as well, since apart from being fun it can be a good chance for kids to learn new words and improve spelling. While playing, be prepared for cheers and jeers from the cuddly 'roo - he doesn't take too kindly to incorrect guesses... its his neck on the line after all. Hangaroo 2015 is a game with endless possibilities, as it is limited only to our imagination.*Entertaining and educational.*Nice graphics and sounds.Note:You will need the latest Adobe flash player installed in your phone in order to run this application otherwise it will just show a white screen.
